Mr. Harold Weisberg
Sub-committee, Committee on Education and Labor
247-C Senate Office Building
Washington, D.C.

Dear Weisberg:

Galley proofs of the transcript of the current hearings addressed to Wirin at this office have been appropriated for the committee work here which Zack and I are continuing. Please keep sending gal ley proofs of the hearings as they come in. We find them vitally important in getting exactly what transpires at the hearings and in continuing current investigations.

I hope to see you when I am in Washington next week.

Sincerely yours,

Fred. G. Krivonos
